

Sinfully Delicious Baking Co.

Our consultations are a personalized time for you to taste your selections & to address your questions. We will discuss details such as items, decor, set-up, delivery, timeline, etc.

Your samples will come separately & labeled underneath so you may mix and match to build a flavor combination you both adore; you may be surprised!

There is a \$50 fee for cake tastings +\$5 for special dietary needs. Additional cake items may be requested at +\$5/item. Your phone number must be on file along with a delivery address for the appointment to be confirmed.

Please select up to 3 cake flavors, up to 3 fillings and up to 3 meringue buttercream choices. Current offerings are listed on the website under the "Cake Flavors" menu tab. The selections must be provided no later than one week prior to our appointment. If the selections or payment are not received by this time, your appointment will need to be rescheduled.

A non-refundable deposit of \$150.00 is required when booking your cake or event: this reserves my services for the date and time of your wedding order. It will be applied on your invoice as previous payment made. Please include an estimated timeline specifically outlining the ceremony, room opening to guests/room reveal and the serving time. The invoice is to be provided shortly after our consultation, further outlining all of your discussed details. Final details, including final guest count, flavors, timeline & setup notes, need to be finalized by at least 4 weeks prior to your wedding. Any changes made after this period will be subject to penalty fees. Final payment will be due the Monday of your wedding week - penalty fees will be applied for late payments. Please mark your calendars for these important dates.

Thank you for choosing us!
