

Sinfully Delicious Baking Co.

Wedding Consultation

Our cake consultations are a personalized time to address all your questions regarding your needs and desires for your day. We will talk about set-up, cake pricing, delivery, payment, and other details pertaining to your wedding vision.

At the cake consultation, you will sample your desired cake flavors for a fee of \$40.00 (additional \$5-\$10 fee for dietary requests). This fee, if you decide to use Sinfully Delicious Baking Co. as your cake provider, will be deducted from your final invoice amount. Please bring your payment in the form of cash or by card through [paypal.me/racquelriccardi](https://www.paypal.me/racquelriccardi) at the time of your appointment.

Please select up to 3 cake flavors, up to 3 fillings, and up to 3 buttercreams for your tasting. Current offerings are listed on the website under the “Weddings” menu tab. The flavors must be provided no later than one week prior to our appointment so I may have the time to provide you with freshly made samples. If the flavor choices are not received in time, your appointment will need to be rescheduled.

A non-refundable deposit of \$110.00 is required when booking your cake or event: this reserves my services for the date and time of your wedding order. The cake estimate is to be provided shortly after our consultation. Along with the deposit, the cake order is confirmed when the final estimate is signed by the client.

Thank you for choosing us!
